

Level II Screening Requirement

If a Principal requests a volunteer to **mentor or tutor** a student, or volunteer as a **chaperone during an overnight field trip** a **Level II** national background screening for both sexual and criminal offenses is required through the FDLE (Florida Department of Law Enforcement) at a cost of approximately \$65-\$90 paid by the volunteer. Those individuals requiring a Level II screening must contact the Office of Communications at (941) 708-8770 x2048 for specific instructions. The volunteer will be provided with information to visit an outside vendor for fingerprint processing. **Level II** clearance permits an individual interaction with students in an **unsupervised environment**.

Policy 3.10 states “Principals recognize that mentors provide one to one time with students, therefore, principals shall be responsible for assuring that mentors must have successfully passed a Level II Screening.”
